1. Introduction

Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore.

Bobby added a paragraph motivating the approach taken below, after the team's kickoff call. ^[BOB]

The scope ~~was left open-ended~~ is now restricted to the three use cases agreed on last week. ^[ALICE]

2. Methods

Carol contributed this whole subsection on the evaluation protocol — nobody registered her name or a color in set-revisions, so she still gets an automatic, distinct color and displays under her raw id, “carol”. ^[CAROL]

~~An earlier, informal risk assessment that the team agreed to drop in favor of a structured one.~~ ^[BOB]

This paragraph is unchanged — Alice reviewed it and confirmed it's still accurate, worth marking so nobody re-checks it again. ^[ALICE]

3. Budget

Dave added a line item for external review costs, flagged with a number in case the team wants to discuss it later even though there's no response document here to discuss it in. ^[DAVE-1]
